# JST PH 3-Pin to Male Header Cable – 200mm

PRODUCT ID: 3893

https://www.adafruit.com/product/3893#Slide6

DESCRIPTION

This cable will let you turn a JST PH 3-pin cable port into 3 individual wires with high-quality 0.1" male header plugs on the end. We're carrying these to match up with our Hallowing, for extending and connecting sensors or LEDs - and the wires are even color coded!

We also stock a version with female socket headers on the end

For more information about JST PH connectors, visit the JST website
