These useful tools are also included in your software subscription:

McAfee® WebAdvisor

Warns you about risky websites and helps prevent dangerous downloads and phishing attacks. It provides search ratings, checks to see if your firewall and antivirus are activated, scans your downloads and alerts you if there's a known threat.

McAfee® Shredder™ Tool

Protects your identity and privacy by permanently deleting important files from your PC—ideal for tax documents, financial information, and other personal files.

McAfee® QuickClean™ Tool

Helps keep your PC running smoothly by removing cookies and temporary files that track you online.

Vulnerability Scanner

Ensures your Windows software and other PC applications are up-to date.

*Virus Protection Pledge (VPP): To be eligible for VPP, you must be actively enrolled in our auto-renewal service with a qualifying product installed. If we cannot remove a virus from a device we support (see VPP System Requirements), we'll refund—for the current term of your subscription—the actual amount you paid for the qualifying product, or the value of the qualifying product if it was included in a bundle (see terms of service for details), less any discounts, rebates, refunds, shipping, handling or taxes. The refund does not apply to any damage or loss caused by a virus—we strongly recommend that you always backup your data to prevent data loss. Refer to our terms of service for details: mcafee.com/pledge.
