ADD TO CART   1

OVERVIEW

Push Button and E-Stop Safety Covers temporarily prevent access to the ON/OFF and engaged emergency stop controls for production and facility utility operating equipment.

- Safety Covers quickly and efficiently secure facility production and operating equipment at the point of need

- Includes a permanently mounted base and a removable cover

- Equipping your employees with the proper lockout tools can save lives, reduce lost employee time, and cut insurance costs

- Brady® is a world leader in lockout/tagout products and services offering industry expertise and a broad range of durable, easy-to-use lockout devices
